Connor: When I was 13, I played for the school rugby team and we triamphed in the schools' championship. A few days later, there was a big celeberation. All the students were there to watch as we walked onto the stage to get medals from the headmistres. I got my medal, but when I was leaving the stage, I triped as I was walking down the steps. Luckily, my leg wasn't demaged, but I felt very silly!

Eve: A few days ago, I was skateboarding down a road when I saw my best friend. I shouted to him and started waving. While I was waving, I rode into a lampost and fell off the skateboard. I landed in a puddle and got mud all over my traksuit. My mum was not happy when I got home.
