Last week I went on a scool trip to an animal park. We saw lots of different animals like lions, tigers and elephants. My favourite part was seeing the penguens. They were so cute! Luckily, the area where they live was not too crowded. On weekends, a lot of turists go to the zoo, but we visited on a Monday so it was quiet, and we could see everything.

The most amazing animal we saw was the lepard. It was very beautifull, and it looked very relaxed dispite all the people staring at it.

My classmaites were excited to see the monkeys. They were jumping and playing around, which was awsome to watch.

Overall, it was a great aftenoon, and we learned so much about different animals.
