Please make sure to use correct singular and plural forms, and correct verb tense where appropriate. The recording will be played twice.

— Text Start —

Harry Potter woke up early in his small room at the Dursleys' house. The sun was _____, but Harry did not feel happy. He missed Hogwarts, his friends, and the world of magic. At breakfast, Dudley ate loudly, and Uncle Vernon read the newspaper with an angry face. Harry stayed quiet, thinking of spells and flying _____.

Suddenly, something _____ happened. A small owl tapped on the window with its beak. Harry quickly opened it, and the owl dropped a letter into his hands. The _____ had green ink and the Hogwarts seal. Harry's heart beat fast. He _____ it open and read:

“Dear Harry,

A secret portal has opened in the old park near Privet Drive. Use it carefully. It will take you back to the _____.”

Harry could not believe it. A hidden portal in the _____ park? He ran outside as fast as he could. In the middle of the park, near a broken swing, he saw a glowing _____ of blue light. It looked like a door made of stars.

Taking a deep _____, Harry stepped forward. The world spun around him, and suddenly he was standing in front of the tall _____ of Hogwarts. Home at last.

Task 2 - Spelling Correction (2 Points for each correct answer)

*Task Instructions: Carefully read the text and find **TEN** misspelled words. Write the correct spelling on the numbered lines below. Please make sure to use correct singular and plural forms, and correct verb tense where appropriate. Answers can be in any order. An example is provided.*

Maria had always live in a small town, so travelling to the capitol city was very exciting for her. She took the train to visit her cousin, and during the journey she look out of the window, watching the houses, fields and roads go by. The trip took almost three hours. When she finally arrived at the big central station, Maria felt happy but also a little nervours.

The station was full of people walking quick in many directions. Outside, the streets were busy with cars, buses and bicycles. The tall buildings all looked the same, and soon Maria did not know where she was. She realised she did not know how to find her cousin's flat.

Maria decided to ask someone for help. She spoke to a friend woman, who smiled and explained the way. "Take the underground for two stops, then turn right," the woman said. Maria listened carefully, repeated the words, and follow the directions step by step.

At last, she saw her cousin waiting in front of a cafe. He waved and laughed, saying, "I was afraid you might get lose, but you did very well!" Maria smiled proudly. She had learn that asking for help is a smart choice in a new place.

Example: LIVED

1. _____
